

## ***110% Price Guarantee***

Introducing "The Q! & The Zone 's Annual Advertiser 110% Price Guarantee"

At the Q! and the Zone we don't think it's fair that "sometime" advertisers should ever get lower rates than our committed 52 week customers because of a special seasonal offer that becomes available.

That's why we've introduced our Q/Zone yearly advertiser 110% Price Guarantee.

***If a special program becomes available offering a lower rate than yours we'll match that rate and also offer you an additional 10% more in bonus commercials. \*(Provided you would like the exact same schedule and terms as offered in the special)***

The Q/ Zone 110% Price Guarantee... preferred rates for preferred advertisers ...just another special bonus for our 52-week customers.
